Parents/Guardians,

It is with great pride and enthusiasm that I welcome you to a new school year at Case Preparatory Academy! My name is **Jamon McClain**, and I am honored to serve as the principal of this incredible school community. With 10 years of experience in education, including roles as a teacher, dean of students, and administrator, I am committed to building an environment where students thrive academically, socially, and emotionally.

At Case Prep, we believe every child can achieve greatness when provided with the right support, structure, and opportunities. Our mission is to **cultivate a safe, inclusive, and culturally responsive environment** where all students feel seen, valued, and empowered to learn. My leadership is grounded in ensuring that our school not only maintains a positive culture but also holds high expectations for academic excellence and character development.

This year, we are laser-focused on three core priorities:

1. **Sustaining a Safe and Supportive School Culture**

Safety, respect, and relationship-building are the foundation of learning. We are committed to reinforcing positive behavior, supporting emotional wellness, and fostering strong student-teacher relationships so that every child feels secure and motivated to succeed.

2. **Increasing Academic Rigor and Success**

Through data-driven instruction, targeted interventions, and high-quality curriculum aligned with state standards and the science of reading, our goal is to ensure all students are making strong academic gains. We are committed to preparing students not just for the next grade level—but for life-long learning and leadership.

3. **Strengthening Family and Community Partnerships**

I believe that families are our most important partners in education. We invite you to stay involved through open communication, school events, family workshops, and ongoing collaboration. Your voice matters, and together, we will create the best possible experience for your child.

As principal, I am committed to listening, learning, and leading with integrity. You can expect consistent communication, transparency, and a relentless focus on what's best for students. I am excited to continue the work of making Case Preparatory Academy a place where high expectations are matched with high levels of support—for both students and staff.

In Education,

Jamon L. McClain M.Ed

Principal, Case Preparatory Academy
